

Free Ag Plastic Recycling Program

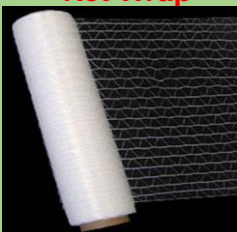

We would like to take this opportunity to welcome you to Revolution Plastics and help you understand what to expect with your participation in our free ag plastic recycling program.

- **Every Farm is placed on a pickup schedule.**
 - Schedules are created due to the annual amount of used plastic each location reported to Customer Service.
 - Schedules are every 2, 4, 8, or 16 weeks.
 - Bins are serviced within weekly timeframes rather than specific days.
 - Contact Customer Service if your bin is full prior to your scheduled time frame.
 - We will do our best to service your full bin early; however, our arrival is dependent on daily route capacity.
- **Please place the bin in an easily assessable and visible location.**
 - Please do not place the dumpster
 - inside buildings
 - within 6-8 feet of the exterior of a building
 - under overhangs
 - within 100 feet of powerlines
 - inside gated areas
 - in or around muddy or narrow paths.
 - Within 50 feet of other equipment.
- **Please only put Approved Plastics in the Bin.**
 - Approved plastics is:
 - silage bags
 - bunker covers that do not contain nylon mesh or reinforcements known as skrim
 - bale wrap
 - oxygen barriers

BANNED CONTAMINANTS

Please **do not** place any of the below items in your bin

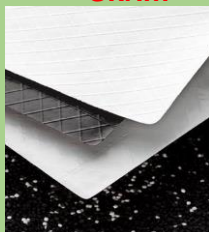

Net Wrap

Twine

Skrim

Sidewalls

Hydraulic Hose

Rigid tubing

Avoid excessive dirt or feed.

We will not empty any bins that contain contaminants

- **Please make sure that your bin is completely full.**
 - Bins have over 1,000 lb. capacity.
 - Please compact the plastic as much as possible and place neatly in the bin so that our drivers can service your bin as efficiently as possible.
